13th February 2018.

Dear Parents,

We hope you are all well. We have had some very positive feedback on our new school website. All the information you may need such as upcoming events, school closures, school policies and children's news are now available at your fingertips.

Our policy for the "Administration of Medicines" has recently been reviewed and updated. **It is imperative that you view these important changes on the updated policy** which is available on our school website. One important change that we would like to draw your attention to is as follows, in the interest of Health and Safety of all, children are not permitted to have any medication prescribed or otherwise on their person or in their school bag. From the 19th February onwards parents /guardians must inform the BOM in writing(forms available from office) requesting prescribed medicine to be administered to their children. If you require further information please contact the school office.

Also on our school website under the policy section you can view the Lisvernane Annual BOM report 2017.
